

WORKSHOP (BRIDGE DESIGN AND FABRICATION)

(23/09/2014 – 24/09/2014)

VENUE-SITM LUCKNOW

To increase the skills of the students, the practical knowledge is very necessary. To fulfil this requirement of students of civil department organised a workshop on “Bridge design and fabrication” with the co-ordination of **SKYFI LABs (CIVIL SIMPLIFIED)**.

Workshop is inaugurated in the great presence of **Dr M.A KHAN (D.G SEG)** on 23rd sep 2014. At the inauguration time Dr. M.A KHAN (D.G) sir addressed the students that the workshop is for their for the overall development theoretically as well as practically. He also said that this type of event will be held from time to time in all the departments of the collage.

In the process students were divided in groups of four each and were provided with the apparatus so that each group can design their model.After this fabrication work started. All the groups were under the guidance of Mr. Rahul raj (Alumni of IIT Kanpur), Mr. Sameer (event coordinator) and **Er. Nizam Ali (HOD CIVIL ENGINEERING)**. At the last day of the workshop students tested the strength of their models and rank were given accordingly. Prizes and certificates were given by D.G. sir to the winners.

PRIZE DISTRIBUTION-

BEST DESIGN AWARD- 1. Sujeet Verma

2. Anurag Srivastava

BEST FABRICATION AWARD- 1. Brij Bihari Yadav

2. Abhishek vishwakarma

The winners are invited to participate in the bridge design workshop on October 18th 2014 at NITK suratkhil.

In the end HOD of civil department gave his vote of thanks to the attendance.
